I. CLASS

- The class tab helps the admin to create the class and add the students into the respective class.

The screenshot displays the 'Class' management interface. The top navigation bar includes 'The NorthCap University Class' and a 'Create +' button. Below this, there are four class cards with names like 'CSE-B-G2', 'CSE-B-G1', 'CSE-C-G2', and 'CSE-A-G1'. A 'Create Class' modal is open, showing a 'Class Name' input field with 'class1' and a 'Submit' button. Below the modal, there are four more class cards: 'CSE-D-G2', 'CSE-E-G2', 'BSc(H)', and 'ME+CE=ECE'. At the bottom, a new class card for 'class1' is visible.

- After creating the class, click on the name of the class. Then there will be window with Bulk upload and Create on the top right corner.
- By selecting on the CREATE option we can add student one by one.

The screenshot displays the 'Student' management interface. The top navigation bar includes 'The NorthCap University Student' and a 'Create +' button. Below this, there is a search bar and a table with columns: Sl. No., Name, Guardian Name, Mobile, and Actions. The table is currently empty, showing 'No Data Available in Table'.

BEAUTIFUL WORDS

So the first word I have for your today is the word ALLURING.

And alluring is something that's mysteriously attractive or that's fascinating. So, when I say that something is alluring I'm kind of drawn to it. So kind of attracted and I want to kind of get to it.

Thats an alluring dessert.
